Request for Medical Authorization

Dear Ms. Brand,

It was a pleasure speaking with you a week or so back. The purpose of my letter today, is after speaking with you I have thought of a suggestion that we can discuss to resolve our issue of the authorization of medical records.

Would you be willing to provide me a complimentary copy of all documents you recieve from your authorization?

If that is acceptable to you, I will provide you with the authorization as you have request.

If you have any questions regarding my suggestion, please do not hesitate to ask. If you agree to my suggest, please inform me as soon as possible in writting.

Unitl next time, make it a great day!,

Respectfully Yours,

  
Tony T. Robinson
